

# Cold Oxygenated Perfusion. Is this all we need?

Sunday, 15th September at 15:10  
Hall A2

**Professor Philipp Dutkowski**

Rationale and evidence for hypothermic oxygenated  
perfusion, including steatotic livers.

**Professor Rutger Ploeg (Chair)**

Hypothermic oxygenated perfusion in kidneys.  
COPE update.

**Dr. Andrea Schlegel**

Hypothermic oxygenated perfusion in DCD livers.  
FMN, a real-time test of viability?

Symposium Session of ESOT2019 Congress
