ESOT General Assembly 

NOTE: Programme is subject to change

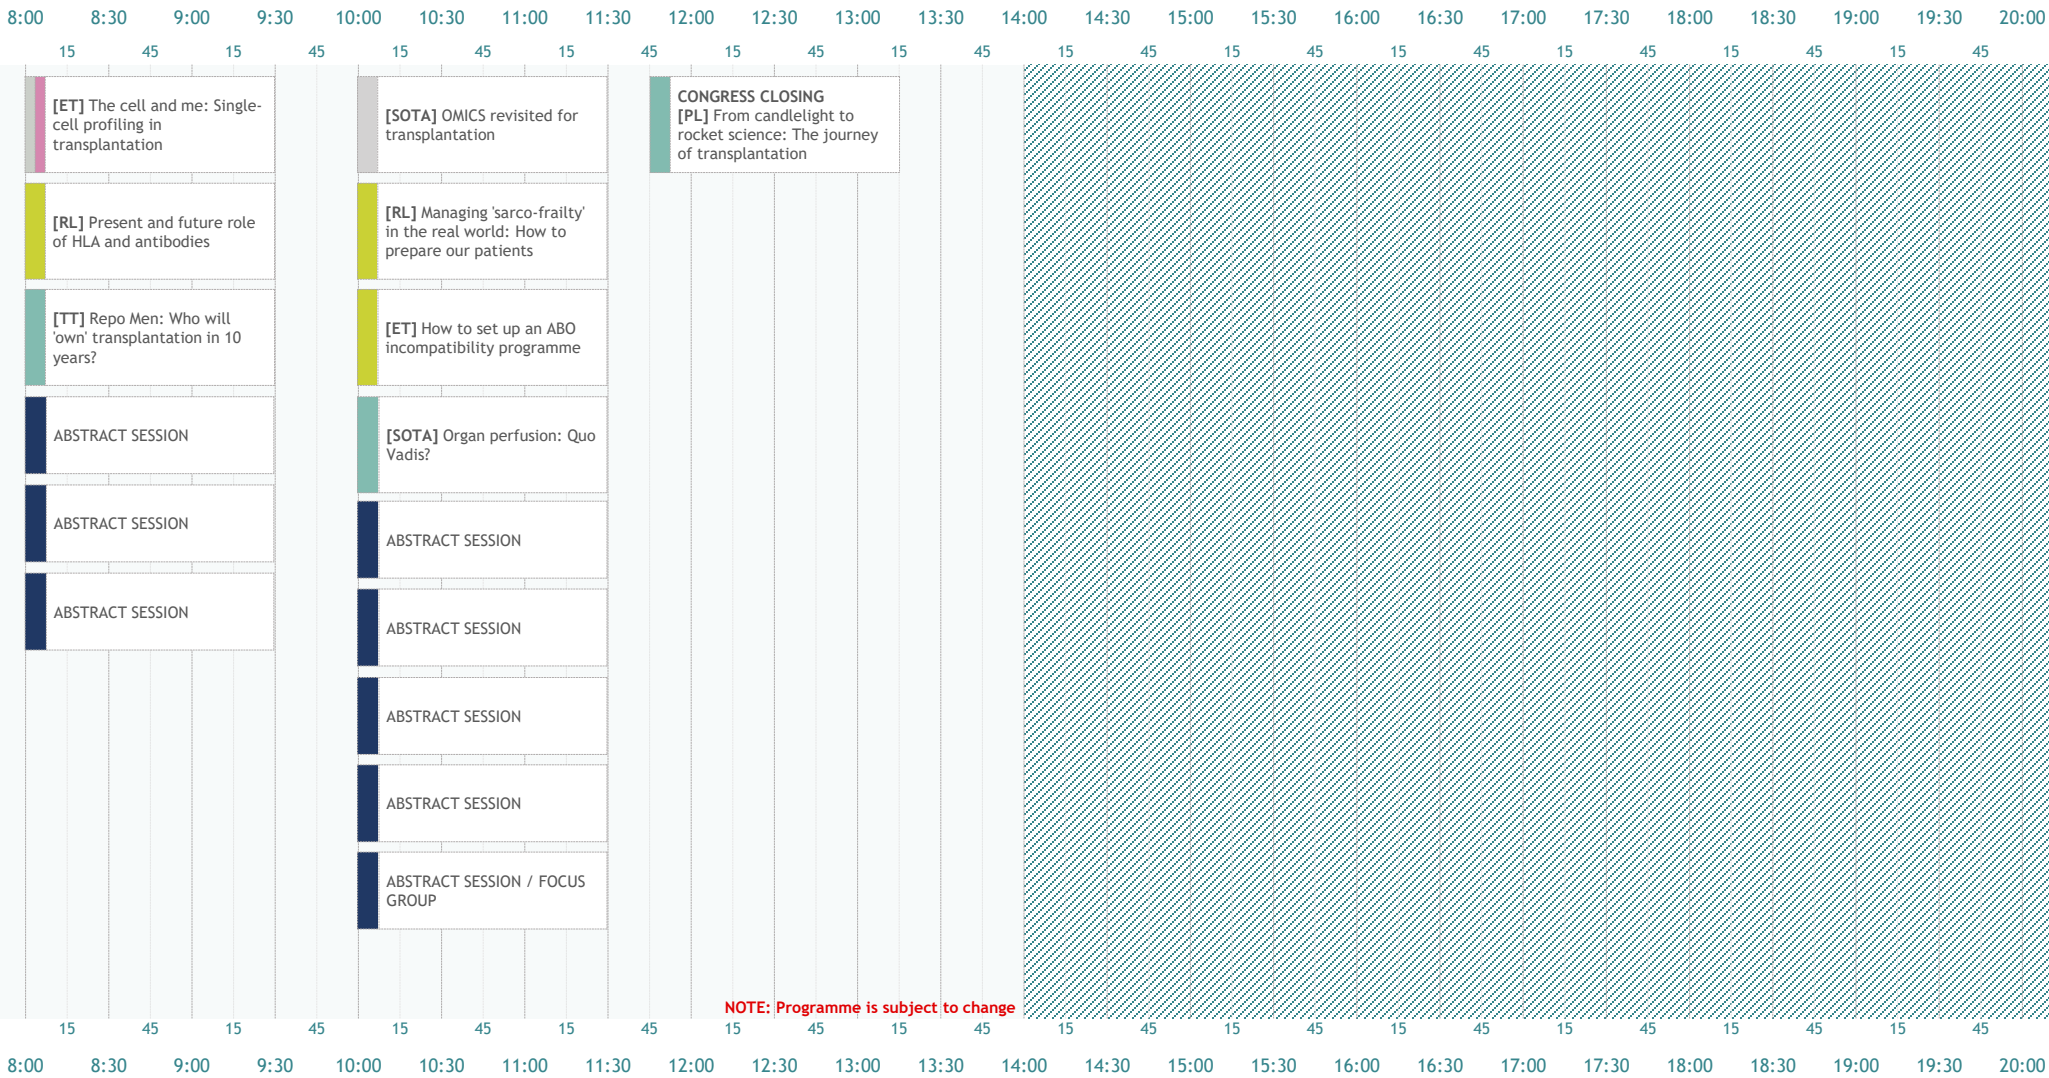

- SESSION TYPES: [CR] Critical review [ET] Education track [HO] Hands-on course [IR] Interface research [PL] Plenary [SOTA] State of the art [RL] Real-life clinical decision making [TT] Think tank
- CONGRESS DOMAINS:  Emerging approaches and technologies  Precision medicine  Present and future transplant practice  Regenerative medicine  Value-based care

**NOTE: Programme is subject to change**

- SESSION TYPES:**
- [CR] Critical review
  - [ET] Education track
  - [HO] Hands-on course
  - [IR] Interface research
  - [PL] Plenary
  - [SOTA] State of the art
  - [RL] Real-life clinical decision making
  - [TT] Think tank

- CONGRESS DOMAINS:**
- Emerging approaches and technologies
  - Present and future transplant practice
  - Value-based care
  - Precision medicine
  - Regenerative medicine

**SESSION TYPES:**

- [CR] Critical review
- [ET] Education track
- [HO] Hands-on course
- [IR] Interface research
- [PL] Plenary
- [SOTA] State of the art
- [RL] Real-life clinical decision making
- [TT] Think tank

**CONGRESS DOMAINS:**

- Emerging approaches and technologies
- Present and future transplant practice
- Value-based care
- Precision medicine
- Regenerative medicine
